MEMORANDUM FOR: See Distribution

FROM : Robert M. Gates
Director, DCI/DDCI Executive Staff

Associate Deputy General Counsel

SUBJECT : Revision of Non-Restriction Sections
of E.O. 12036

Attached you will find copies of two papers: one consolidating the views of various Intelligence Community organizations on the non-restriction sections of E.O. 12036, and a separate paper from the Department of Defense on this same subject.  has scheduled a meeting to discuss these various views on Monday, 20 April 1981. Admiral Inman has asked the two of us to represent the Agency's position at this meeting. As you know, we have an agreed Agency position on a number of the matters. You will see from the attached materials, however, that a number of thoughts on subjects that the Agency position does not address are presented. We would appreciate any comments you might like to make known on these latter matters prior to that meeting. In view of the very tight schedule that this imposes, but in order that all Agency components have an opportunity to make their views known and to understand the perspective of all other Agency components, we have scheduled a meeting for Monday, 20 April 1981, at 9:30 a.m. in the DCI Conference Room to discuss the matters these papers address. We would ask that you or someone authorized to act on your behalf on this subject attend.

Robert M. Gates
